EXT. FOOTPATH - DAY

Rob, Liana and Tommy are walking down the road towards Rob's car. Rob answers the phone and has a heated discussion. Liana takes the opportunity to talk to Tommy one on one.

LIANA

You have to stop what you're doing.

TOMMY

What do you mean?

LIANA

I know you're not who you say you are.

TOMMY

I don't know what you're talking about.

Liana stops walking and faces Tommy, looking him squarely in the eye. Rob is unaware as he is still on the phone and continues walking ahead.

LIANA

He's my brother. I can deal with him. I don't need your help.

Beat.

Rob has now reached the car and hung up his phone. He notices Liana and Tommy's conversation.

ROB

What's going on?

TOMMY

Nothing.

Tommy quickly catches up to Rob, while Liana follows behind.
