

Books on shelves

Decorative, almost symbolic of knowledge and learning

Presence of these mediums / stimulating states

Slowing / almost freezing the passage of time

Hardly used, emblematic of time past

Preservation of the past / older mediums

Collision of new, rife media and old, forgotten media (books on shelves)

Communal drive, incentive

A commitment to study

Common objective to study

Space left open for the mind to drift, to ponder

Essential to the spectacle of the place

Sacred, left untouched

Majority of the room

Upwards, towards light

Open Space

A community in privacy

Creating sense of privacy in public space

Silent Behaviour

Enormous potential for excessive echo / noise

Denied by unspoken silence agreement
